

Everyone 16 and Older

Now is Your Time

Schedule Your FREE COVID-19 Vaccine at conehealth.com/vaccine

- Those with limited internet access can call Cone Health at 336-890-1188, Monday through Friday, between 7 a.m. and 7 p.m., for vaccine scheduling assistance
- Locations in Burlington, Greensboro and Reidsville
- Appointments are available on weekdays, weekends, mornings, afternoons and evenings
- Vaccination protects you from life threatening COVID-19 and helps to protect your family, friends and entire community
- All vaccines authorized for use are very safe and highly effective
- Eligibility has been expanded in North Carolina and now includes everyone 16 and older

Stay safe. As more people are vaccinated, we all need to continue wearing masks, social distancing and washing hands frequently. This is true whether you have been vaccinated or not.
