

If you wish to bring your pet to visit, you must do the following:

Pet Visitation Checklist

- Only domesticated dogs and cats are allowed.
- The pet must be housebroken (no puppies or kittens).
- The pet must be clean, well groomed, and free from ticks, fleas, or other parasites.
- Provide records or a note from your vet stating the pet is in good health and is up to date on all required vaccines.**
- Discuss possible visitation with the patient's nurse before you bring the pet in.
- The pet must be on a leash or in a carrier upon entering and transportation within Cone Health facilities.
- Clean up of any "accidents" is the responsibility of the individual who brings in the pet. We will provide you with the necessary supplies.
